To Whom it may concern: Docket No. SP 11723 Sub. O

My wife AND I HAVE MAJOR CONCERNS OVER THE PROPOSED SOLAR FARM SET UP ACROSS THE ROAD FROM OUR HOUSE. WE WERE NOT INFORMED BY THE OWNER OF HIS PLAN TO PUT THESE ON HIS PROPERTY. WE HAVEN'T RECEIVED ANY INFORMATION ABOUT ANY MEETING CONCERNING THE INSTALLATION OR ENVIRONMENTAL ISSUES NOW OR IN COMING YEARS OR THE IMPACT ON SURROUNDING PROPERTY PIECES.

My wife AND I STRONGLY OBJECT TO THIS FARM(?) BEING BUILT SO CLOSE TO US AND OUR GRANDCHILDREN, FOR THEY WILL BE SURE AFFECTED BY THE COMING ENVIRONMENTAL ISSUES.

PLEASE TAKE A LOOK AT THIS AS IF YOU WERE IN OUR SHOES AND STOP THIS FROM TAKING PLACE.

With Concerns,

Tom & Karen Boss
