Dear Hearing Examiner Buffkin and Ms. Jost:

I received the below email Mr. John Dunn that I wanted to make you aware of. It is my opinion that Mr. Dunn's allegations are without merit, but I did want to forward the email to you.

Best regards, Karen

Subject: [EXT] Illegal meeting June 4, 2019

We, John B. Dunn, et.al. contend the meeting of the Utilities Commission, in the matter of the application of Albemarle Beach, Solar, LLC, held June 4, 2019, constituted an illegal meeting according to Article 33 of NC General Statutes Chapter 143. Although notice of the meeting was made in advance, the actual meeting was held behind locked doors on the second floor of the Washington County Courthouse. There were no signs posted and entry was obtained only by contacting the local sheriff. By the time entry was obtained to the meeting the chairman adjourned the meeting and would not allow further comments or questions. We contend the meeting to be invalid and all actions taken subsequent to it are also invalid. We demand all further actions in this matter to cease.

John B. Dunn, Ed.D
