Re: Docket No. E-100, Sub 141

Dear Mrs. Mount:

Virginia Electric and Power Company, d/b/a Dominion North Carolina Power (the "Company") submitted its initial biennial Smart Grid Technology Plan ("SGT Plan") on October 1, 2014. In accordance with the Commission Rule R8-60.1(b), the Company has reviewed its biennial SGT Plan and has determined that no significant amendments or revisions to the initial SGT Plan are warranted at this time. The Company continues to proceed with implementation of the three core projects described in its initial SGT Plan.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Very truly yours,

s/ E. Brett Breitschwerdt
