Re: Docket Nos. W-992, Sub 8 and W-1328, Sub 9 – Application by Red Bird Utility Operating Company, LLC for Authority to Transfer the Crosby Utilities, Inc. Water and Wastewater System and Public Utility Franchise in Wake County, North Carolina, and for Approval of Rates

Dear Ms. Dunston:

On February 23, 2023, the Public Staff filed the testimony of witnesses D. Michael Franklin and Lynn Feasel in the above referenced dockets. The Public Staff subsequently identified errors impacting both testimonies.

Enclosed for filing are the public versions of corrected pages five through nine of Ms. Feasel’s testimony. The corrected testimony reflects Ms. Feasel’s removal of contributions in aid of construction for water and wastewater operations from her acquisition adjustment calculation. The corrected testimony also reflects the impact of her correction of the acquisition adjustment calculation on her calculation of original cost rate base after the Public Staff’s adjustments.

Also enclosed for filing are the public versions of corrected pages 13 and 19 of Mr. Franklin’s testimony. The corrections reflected on these pages were required as a result of the corrections to Ms. Feasel’s testimony.

By copy of this letter, I am forwarding copies of the public versions of Ms. Feasel and Mr. Franklin’s corrected testimony to all parties of record.

Sincerely,

Electronically submitted
