BY THE CHAIRMAN: On April 4, 2019, the Commission issued an Order Requesting Comments in the above-captioned docket regarding Duke Energy Carolinas, LLC's and Duke Energy Progress, LLC's (collectively, Duke's) petition for approval of a proposed Electric Transportation Pilot Program. The order set May 6, 2019, as the due date for comments, and May 20, 2019, as the due date for reply comments.

On April 17, 2019, the Public Staff filed a motion requesting that the dates for comments and reply comments be extended to July 5, 2019, and July 19, 2019, respectively. The Public Staff stated that due to the magnitude of the costs involved, the complexity of the issues, and the required analysis, the Public Staff will need additional time to conduct discovery and file comments. In addition, the Public Staff stated that it discussed the proposed extension of time with Duke, Sierra Club, and North Carolina Sustainable Energy Association, and that no party opposes the requested extension of time.

Based on the Public Staff's motion and the record, the Chairman finds good cause to extend the date for filing comments to July 5, 2019, and to extend the date for filing reply comments to July 19, 2019.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 18th day of April, 2019.
