Re: Docket Nos. E-2, Sub 1167 and E-7, Sub 1166 – Application of Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC, for Approval of Solar Rebate Program Pursuant to N.C. Gen. Stat. § 62-155(f) – Compliance Tariffs

Dear Ms. Campbell:

On April 5, 2021, Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC, (jointly, “Duke”) filed compliance tariffs to reflect the modifications approved by the Commission in its March 23, 2021 *Order Modifying Solar Rebate Program and Allowing Comments*.

The Public Staff reviewed the filing, finds that the modifications comply with the Commission's orders, and recommends that the Commission accept Duke’s compliance filings. The Public Staff recognizes that some intervenors have raised concerns regarding the transition to a lottery system. The Public Staff recommends that, in the interest of transparency in the lottery process, Duke commit to disclosing detailed methodological data with regard to the July 2021 enrollment window at the request of the Public Staff or other intervenors.

Please feel free to contact me if you have any questions.

Sincerely,

Electronically submitted
