In the Matter of

Pursuant to N.C.G.S. § 62-133.2 and) REQUIRING FILING OF TESTIMONY,
NCUC Rule R8-55 Relating to Fuel and) ESTABLISHING DISCOVERY
Fuel-Related Charge Adjustments for) GUIDELINES, AND REQUIRING
Electric Utilities) PUBLIC NOTICE

BY THE COMMISSION: Pursuant to N.C. Gen. Stat. § 62-133.2, the Commission is required to conduct annual fuel charge adjustment proceedings for electric utilities engaged in the generation or production of electricity by fossil or nuclear fuels. Commission Rule R8-55 provides that the fuel charge adjustment proceeding for Duke Energy Progress, LLC (DEP or Applicant), will be held the third Tuesday of September each year and that DEP shall file its direct testimony and exhibits and shall publish notice prior to the hearing.

On June 14, 2022, DEP filed its application in the above-captioned docket. By its application, DEP requests changes in its fuel charges effective for service rendered on and after December 1, 2022. The proposed changes in fuel rates would result in increases of the current fuel rates of all customer classes, with the amount of the increase varying for different customer classes. The net effect of DEP's request as filed would increase the monthly bill of a typical residential customer using 1,000 kilowatt hours per month by \$9.74, excluding the regulatory fee.

The Commission finds good cause to issue the present Order scheduling this matter for public hearing, establishing discovery guidelines, and providing for public notice of the hearing. The guidelines regarding discovery in this docket, subject to modification for good cause shown, are as follows:

1. Any deposition which a party desires to take shall be taken before the deadline for filing of Public Staff and intervenor testimony. Notice of deposition shall be served on all parties at least seven days prior to the taking of the deposition. Notice of deposition and all other discovery notices, requests and motions shall be served on the appropriate parties by hand delivery or facsimile, or by electronic delivery if the receiving party has agreed to receipt by electronic delivery.

2. Any motion for subpoena of a witness to appear at the evidentiary hearing shall be filed with the Commission before the deadline for filing of Public Staff and intervenor testimony, shall be served by hand delivery or facsimile to the person sought

to be subpoenaed at or before the time of filing with the Commission, and shall make a reasonable showing that the evidence of such person will be material and relevant to an issue in the proceeding. See N.C.G.S. § 62-62. Unless an objection is filed, the Chief Clerk shall issue the requested subpoena 24 hours after such motion is filed.

3. Formal discovery requests related to the application and the Applicant's prefiled direct testimony shall be served on the Applicant not later than fourteen days prior to the deadline for filing of Public Staff and intervenor testimony. The party served shall have up to ten calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than ten days prior to the deadline for filing of Public Staff and intervenor testimony.

4. Formal discovery requests of the Public Staff or intervenors shall be served not later than three days after such testimony is filed. The party served shall have up to three calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than five days after that party's testimony was filed.

5. Formal discovery requests related to the Applicant's prefiled rebuttal testimony shall be served on the Applicant not later than two days after such testimony is filed. The party served shall have up to two calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than three days after the rebuttal testimony was filed. Discovery related to rebuttal testimony shall be limited to new material introduced in such rebuttal testimony and will be carefully scrutinized upon objection that such discovery should have been sought during the initial period of discovery from the Applicant.

6. Discovery requests need not be filed with the Commission when served; however, any party filing objections shall attach a copy of the relevant discovery request to the objections. Each discovery request, or part thereof, to which no objection is filed shall be answered by the time objections are due, subject to other agreement of the affected parties or other order of the Commission. Upon the filing of objections, the party seeking discovery shall have two days to file a motion to compel with the Commission, and the party objecting to discovery shall have one day thereafter to file a response. All objections, motions to compel, and responses shall be served on the other affected party at or before the time of filing with the Commission.

7. A party shall not be granted an extension of time to pursue discovery because of that party's late intervention or other delay in initiating discovery.

The Commission recognizes that in the past most discovery has been conducted in an informal manner without the need for Commission involvement or enforcement, and that such has been generally successful. The above guidelines are without prejudice to the parties conducting informal discovery or exchanging information by agreement at any time with the understanding that such will not be enforceable by the Commission if outside the guidelines.

Finally, the Commission finds good cause to put all interested persons on notice that attorneys and witnesses will be expected to attend and participate in person rather than by remote means.

IT IS, THEREFORE, ORDERED as follows:

1. That a public hearing shall be, and is hereby, scheduled to begin at 10:00 a.m. on Wednesday, September 14, 2022, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, for the purpose of considering the annual fuel and fuel-related charge adjustment proceeding for DEP;

2. That any person having an interest in this proceeding may file a petition to intervene stating such interest on or before Wednesday, August 24, 2022;

3. That the direct testimony and exhibits of the Public Staff and interveners shall be filed on or before Wednesday, August 24, 2022;

4. That DEP may file rebuttal testimony and exhibits on or before Thursday, September 1, 2022;

5. That DEP shall publish the Public Notice attached hereto as Appendix A in a newspaper or newspapers having general circulation in its service area once a week for two successive weeks beginning at least 45 days prior to the hearing;

6. That DEP shall file affidavits of publication on or before the date of the hearing; and

7. That the parties shall comply with the discovery guidelines established herein.

ISSUED BY ORDER OF THE COMMISSION.

This the 8th day of July, 2022.
