Mr. Furr,

On GGCC's Application for Rate Increase, the present and proposed rates for Residential Service should not have said per REU. We would like to restate the rates as follows:

Flat Rate Residential Service:

Present: Water: \$161.58/Quarter; Sewer: \$134.30/Quarter

Proposed: Water \$189.39/Quarter; Sewer: \$143.09/Quarter

Thank you,

Sarah Eggers, CPA
