Re: Cancellation Notice for Certificate of Exemption Number C-3048 for
Failure to Attend Mandatory Maximum Rate Tariff (MRT) Seminar

Dear Mr. Wilson:

On May 30, 2023, in Docket No. T-4932, Sub 0, the North Carolina Utilities Commission (Commission) issued an Order Granting Application for Certificate of Exemption which authorizes your company, L.W. Moving and Trucking, LLC, to transport households within and throughout the state of North Carolina. As you are aware, all newly Commission-certified movers are required to attend a Maximum Rate Tariff (MRT) Training Seminar no later than three (3) months from the date that their company is certificated. Please see Ordering Paragraph No. 5 of the May 30, 2023 Order. Free MRT Training Seminars are provided throughout the year as a joint effort by the Commission, the Public Staff Transportation Rates Division, and the North Carolina Movers Association.

The Commission has been informed by the Public Staff Transportation Rates Division that neither you nor any other representative of L.W. Moving and Trucking, LLC, has attended any of the free monthly MRT Seminars held since the issuance of its certificate. The MRT Seminar is and has been offered in person and online regularly since and prior to L.W. Moving and Trucking, LLC, receiving its certificate of exemption.

In order to prevent the cancellation of your certificate of exemption to transport household goods, you are strongly encouraged to attend the next free MRT Seminar. For the information regarding the seminar date and or to register for the online training seminar, email the Public Staff at Transportation@psncuc.nc.gov.

Furthermore, if you do not attend the next scheduled MRT Seminar, you will leave the Commission no option but to issue an order canceling Certificate of Exemption Number C-3048 issued to L.W. Moving and Trucking, LLC, for willfully failing to respond to the Commission's May 30, 2023 Order.
