Dear Ms. Jarvis:

I enclose the Affidavits of Publication for the initial Public Notice related to the Application of Duke Energy Progress, LLC ("DEP") for approval of a joint agency asset rider, for filing in connection with the referenced matter. DEP published the Notice in newspapers having general coverage in its service area. All of the newspapers confirmed that the ad was published twice, but the Wilmington Star-News has not yet provided an affidavit of publication. That affidavit will be filed upon receipt.

Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,
A handwritten signature in black ink that reads 'Lawrence B. Somers'.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled an additional public hearing in the above-captioned docket on an application filed by Duke Energy Progress, LLC (DEP) for the recovery of costs incurred by DEP for the acquisition and operation of electric generating assets acquired from North Carolina Eastern Municipal Power Agency. The public hearing has been scheduled to begin at 2:00 p.m. on Monday, October 8, 2018, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of N.C. Gen Stat. § 62-133.14 and Commission Rule R8-70 for the purpose of establishing a Joint Agency Asset Rider (JAAR) to allow DEP to recover its acquisition and non-fuel operating costs. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

On June 20, 2018, DEP filed its application to revise its JAAR rates. On July 2, 2018, the Commission issued a Scheduling Order that, among other things, scheduled a public hearing in this matter for Tuesday, September 18, 2018, in Raleigh, North Carolina. In addition, pursuant to Commission Rule R8-70(f) DEP was required to publish notice of the hearing date, time, and proposed change in JAAR rates.

In its application and required public notice, DEP stated specific per kilowatt-hour (kWh) or kilowatt (kW) amounts, as applicable, for its proposed JAAR rates. On August 31, 2018, DEP filed additional testimony and exhibits in this docket. In its additional testimony, DEP states that based on the Public Staff's audit of DEP's proposed rates and recommended adjustments, and other factors, DEP requests an increase in the residential and three classes of non-residential rates initially proposed in DEP's application.

According to DEP's additional testimony and exhibits, the proposed JAAR for residential service is 0.441 cents per kilowatt hour (kWh), including regulatory fee, which would be a decrease of 0.035 cents per kWh over the JAAR presently in effect, and would decrease the monthly bill of a residential customer using 1,000 kilowatt hours per month by \$0.35. The proposed JAAR per kWh for other non-demand rate class customers, including regulatory fee, is: 0.498 cents for Small General Service; 0.372 cents for Medium General Service; 0.449 cents for Seasonal and Intermittent Service; 0.237 cents for Traffic Signal Service; and no charge for Outdoor Lighting Service. The proposed JAAR per kilowatt for demand rate class customers, including regulatory fee, is: \$1.17 for Medium General Service and \$1.36 for Large General Service. The proposed JAAR rates for all customer classes would be effective for service rendered on and after December 1, 2018, through November 30, 2019.

Further information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of DEP's application is available for review by the public. Also, documents may be viewed on the Commission's website at www.ncuc.net.

The Public Staff is authorized by statute to represent consumers in proceedings before the Commission. Correspondence concerning DEP's JAAR proceeding and the additional hearing scheduled thereon should be directed to the Public Staff. Written statements to the Public Staff should include any information that the writers wish to be considered by the Public Staff in its investigation of the matter. Such statements should be addressed to Christopher J. Ayers, Executive Director, Public Staff, 4326 Mail Service Center, Raleigh, North Carolina 27699-4326.

The Attorney General is also authorized by statute to represent consumers in proceedings before the Commission.
