On April 18, the Public Staff stated that due to the press of business, it was unable to complete its reply comments by the deadline and sought a two-week extension of time for all parties to file reply comments, to and including April 28, 2022. Due to the lateness of the motion, the Public Staff was unable to contact the other parties and determine their positions on the motion. On April 18, the Public Staff notified the Commission by letter that it has contacted the other parties, and no party objected to the requested objection.

The Chair is of the opinion that good cause exists to allow the extension of time.
