Hi, Leland,

Just a heads-up, I haven't received an invitation. I've sent out a "hold" to the non-Duke folks on this list so folks save the time.

Best,
Nick

Hi, Leland,

Of those times, next Thursday, December 8 from 4-5pm is best. Unfortunately, a few of those on here (Marcus, Caitlin, Jake) likely can't make it at that time but I've included them to keep them in the loop. With more options and lead time I'm sure we could improve attendance, but I know you all are hoping to file by the end of the year.

I assume you all at Duke will want to send the invitation, but I'd be happy to set up a Teams meeting, just let me know.

Best,
Nick

Nick,

Thank you for your stakeholder feedback on Duke's voluntary Customer Renewable Programs concepts that have been discussed in the stakeholder meetings. We would welcome a follow-on discussion to continue the dialogue regarding the next generation of programs in North Carolina. Our team is

available next week to discuss on Tuesday, December 6th from 11 am to 1 pm or Thursday December 8th from 4 pm to 5 pm. Will either of those time slots work for your stakeholder group?

Best Regards,

Leland Snook

Hi, Karen,

I attach a letter concerning the proposed voluntary customer renewable programs Duke presented at stakeholder meetings in recent months. In addition to the signatories, copied here, there are quite a few other stakeholders who expressed interest in a follow-on discussion on this topic. If Duke is still open to that I'd be happy to help find a time and invite folks.

Thank you for considering this input.

Best regards,

Nick
