Necessity to Construct a 4.99-MW	)
Solar Facility in Montgomery County,	)
North Carolina	)
	AMENDED ORDER REQUIRING PUBLICATION OF NOTICE

BY THE COMMISSION: On February 27, 2015, Whiskey Solar, LLC (Applicant), filed an application seeking a certificate of public convenience and necessity pursuant to G.S. 62-110.1(a) for construction of a 4.99-MW solar generating facility. The application stated the location of the facility as 150 S. Whiskey Road in Candor, Montgomery County, North Carolina. The Applicant plans to sell the electricity to Duke Energy Progress, LLC.

On March 13, 2015, the Commission issued an Order Requiring Publication of Notice that required the Applicant to publish notice of its proposed solar facility.

On April 24, 2015, the Clearinghouse Coordinator of the Office of Policy and Planning of the Department of Administration filed final comments with the Commission stating that because of the nature of the comments no further review is needed by the Commission to determine compliance with the North Carolina Environmental Policy Act.

On June 21, 2016, the Applicant filed an amendment to the application stating that the original application incorrectly identified the street number of the facility as being 150 S. Whiskey Road, and the correct street number is 105 S. Whiskey Road.

On the basis of the amended application, the Commission concludes that the Applicant should be required (1) to publish notice of the amended application in the manner required by G.S. 62-82(a) and file an affidavit of publication with the Commission and (2) to mail a copy of the amended application and notice, no later than the first date that such notice is published, to the electric utility to which the Applicant plans to sell and distribute the electricity and file a signed and verified certificate of service that the application and notice have been provided to the utility.

If a complaint is received within ten days after the last date of the publication of the notice, the Commission will schedule a public hearing to determine whether a certificate should be awarded, will give reasonable notice of the time and place of the hearing to the Applicant and to each complaining party, and will require the Applicant to publish notice of the hearing in the newspaper in which the notice of the application was published. If no

complaint is received within the time specified above, the Commission may, upon its own initiative, order and schedule a hearing to determine whether a certificate should be awarded. If the Commission orders a hearing upon its own initiative, it will require notice of the hearing to be published by the Applicant in the newspaper in which the notice of the application was published. If no complaint is received within the time specified and the Commission does not order a hearing upon its own initiative, the Commission will enter an order awarding the certificate.

The Commission cannot take any action until after the Applicant has filed both the affidavit of publication and the certificate of service. Pursuant to Commission Rule R8-64(c)(2), the Commission will automatically dismiss the application, without prejudice to refile, if the Applicant does not file the affidavit of publication and certificate of service within twelve months of the date of this Order.

IT IS, THEREFORE, ORDERED as follows:

1. That the Applicant shall publish the Public Notice, attached as Attachment A hereto, once each week for four successive weeks in the manner required by G.S. 62-82(a) and shall file an affidavit of publication with the Commission;
2. That the Applicant shall mail a copy of the amended application and notice, no later than the first date that such notice is published, to the electric utility to which the Applicant plans to sell and distribute the electricity and file a signed and verified certificate of service that the application and notice have been provided to the utility; and
3. That the Commission will proceed as it deems appropriate after the filing of the affidavit of publication and the certificate of service.

ISSUED BY ORDER OF THE COMMISSION.

This the 23<sup>rd</sup> day of June, 2016.

NORTH CAROLINA UTILITIES COMMISSION

Janice H. Fulmore, Deputy Clerk

**PUBLIC NOTICE**

**DOCKET NO. SP-5267, SUB 0  
APPLICATION OF WHISKEY SOLAR, LLC  
FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY**

NOTICE IS HEREBY GIVEN that on February 27, 2015, Whiskey Solar, LLC (Applicant), filed an application, as amended on June 21, 2016, seeking a certificate of public convenience and necessity pursuant to G.S. 62-110.1(a) for construction of a 4.99-MW solar generating facility to be located at 105 S. Whiskey Road in Candor, Montgomery County, North Carolina. The Applicant plans to sell the electricity to Duke Energy Progress, LLC.
