Re: Docket No. G-5, Subs 632 – Application of Public Service Company of North Carolina, Inc. for a General Increase in its Rates and Charges; G-5, Sub 634 – Application for Approval to Modify Existing Conservation Programs and Implement New Conservation Programs

Dear Ms. Dunston:

On October 13, 2021, Public Service Company of North Carolina, Inc. (PSNC or the Company), filed in the above-referenced dockets a *Motion for Expedited Approval of Notice and Undertaking Required by N.C. Gen. Stat. § 62-135(c) to Implement Temporary Rates, Subject to Refund*. PSNC requests in its motion that the Commission issue an order approving the form of the Notice of Temporary Rates (Notice) and Undertaking of Public Service Company of North Carolina, Inc. (Undertaking), which the Company attached to its motion as exhibits. On October 13, 2021, PSNC also filed a proposed order granting the relief requested in its motion.

On October 14, 2021, PSNC filed a *Revised Temporary Rates Public Notice and Proposed Order*. The Public Staff has reviewed the Company's revised filing and does not object to the relief requested by the Company in its motion.

By copy of this letter, I am forwarding a copy to all parties of record by electronic delivery.

Sincerely,

Electronically submitted
