*RE: Notice Letters for Belafonte Farm, LLC, Docket SP-5252, Sub 0*

Dear Ms. Jarvis:

Enclosed are two versions of the same letter with respect to the docket referenced above; one for public purposes and filing in the docket and the other for the Commission's use only, but not otherwise for public dissemination, filing or notice.

The letter on *cream* stationery is the private version for the Commission and includes sensitive, non-public information in non-redacted fashion and we respectfully request that it not be filed in the public docket. This letter has also been flagged with a Post-It Note to indicate its private nature.

The letter on *white* stationery is the public version and has been redacted to eliminate the sensitive, non-public information. This letter is intended for filing on the public docket, and is so noted by way of a Post-It Note to indicate its public nature.

Please feel free to contact me if you have any questions or comments concerning this filing. Thank you for your assistance.

Very truly yours,

Blanco Tackabery & Matamoros, P.A.
