**PETITION OF NCSEA TO
INTERVENE**

PETITION OF NCSEA TO INTERVENE

Pursuant to North Carolina Utilities Commission (“Commission”) Rules R1-5, R1-7, and R1-19, the North Carolina Sustainable Energy Association (“NCSEA”) hereby petitions to intervene in the above-referenced docket. In support of this petition, NCSEA states as follows:

1. NCSEA is a non-profit corporation formed under the laws of North Carolina, with individual, business, and government members located across the State. NCSEA’s mission is to promote a sustainable future through the use of renewable energy and energy efficiency programs. NCSEA seeks to achieve its objectives by advocating for public policies that encourage the responsible technological and market development of renewable energy and energy efficiency, including all aspects of demand side management, a smart grid, energy storage, and vehicle electrification.
2. NCSEA was a chief proponent of North Carolina’s Renewable Energy and Energy Efficiency Portfolio Standard (“REPS law”), has substantial organizational awareness of the law and its implementation, and has a direct interest in seeing the policies and goals of the REPS law achieved in a manner consistent with the legislative intent. The interest of NCSEA and its members in the REPS law, renewable energy, and energy efficiency

extends to dockets such as this one for a multitude of reasons. NCSEA's interest in cases such as this one has been recognized by the Commission. *See, e.g.*, NCUC Docket No. E-7, Sub 1164 (Vintage 10 rider); NCUC Docket No. E-7, Sub 1130 (Vintage 9 rider); NCUC Docket No. E-7, Sub 1105 (Vintage 8 rider); NCUC Docket No. E-7, Sub 1073 (Vintage 7 rider); NCUC Docket No. E-7, Sub 1050 (Vintage 6 rider); NCUC Docket No. E-7, Sub 1031 (Vintage 5 rider); NCUC Docket No. E-7, Sub 1001 (Vintage 4 rider); NCUC Docket No. E-7, Sub 831 (NCSEA was permitted to intervene where Duke Energy Carolinas, LLC sought approval of Save-a-Watt and its first energy efficiency rider); see also NCUC Docket No. E-100, Sub 110 (a pre-REPS complaint brought by NCSEA against Duke Energy Carolinas, LLC to require increased use of energy efficiency).

3. NCSEA's participation in this docket will bring critical insight, knowledge, and understanding to the proceeding.
4. NCSEA's address is 4800 Six Forks Road, Suite 300, Raleigh, NC 27609. All correspondence related to this proceeding should be addressed to:

Peter H. Ledford
