Re: *Motion of NCSEA to Intervene*  
(Commission Docket No. E-100, Sub 101A)

Honorable Clerk:

On February 1, 2016, the North Carolina Sustainable Energy Association (“NCSEA”) filed the *Motion of NCSEA to Intervene* in the abovementioned docket. After consulting Commission staff it was determined that NCSEA is already a party to Commission Docket No. E-100, Sub 101A by virtue of its status as a party to Commission Docket No. E-100, Sub 101. Accordingly, NCSEA would like to withdraw the *Motion of NCSEA to Intervene*.

Sincerely,
